

Lean on Me

Bill Withers

[Verse]

D **G**
Sometimes in our lives
D
we all have pain
A
We all have sorrow
D **G**
But if we are wise
D **A** **D**
We know that there's always tomorrow

[Chorus]

D **G**
Lean on me, when you're not strong
D
And I'll be your friend
A
I'll help you carry on
D **G**
For it won't be long
D
'Til I'm gonna need
A **D**
Somebody to lean on

[Verse]

D **G**
Please swallow your pride
D
If I have things
A
you need to borrow
D **G**
For no one can fill
D
those of your needs
A **D**
That you don't let show

[Bridge]

D **A** **D**
So just call on me brother, when you need a hand
D **A** **D**
We all need somebody to lean on
D **A** **D**
I just might have a problem that you'd understand
D **A** **D**
We all need somebody to lean on

Ed Sheeran

[Intro]

G

[Verse 1]

I found a love for me
Darling, just dive right in, and follow my lead
Well, I found a girl beautiful and sweet
I never knew you were the someone waiting for me

[Pre-Chorus]

Cause we were just kids when we fell in love
Not knowing what it was, I will not give you up this ti-me
Darling just kiss me slow, your heart is all I own
And in your eyes you're holding mine

[Chorus]

Baby, I'm dancing in the dark, with you between my arms
Barefoot on the grass, listening to our favourite song
When you said you looked a mess, I whispered underneath my breath
But you heard it, darling you look perfect tonight

| G D Em D | C D |

[Verse 2]

Well, I found a woman, stronger than anyone I know
She shares my dreams, I hope that someday I'll share her home
I found a love, to carry more than just my secrets
To carry love, to carry children of our own

[Pre-Chorus]

We are still kids, but we're so in love, fighting against all odds
I know we'll be alright this ti-me
Darling just hold my hand, be my girl, I'll be your man
I see my future in your eyes

[Chorus]
